## Conditions of Sale

This puppy has been registered with the Kennel Club and is subject to the following endorsements which have been explained to the purchaser(s):

- 1) Not for export
- 2) Progeny not for registration

The vendor warrants title to the puppy but no other warranty as to soundness or otherwise is given except as may be implied by law. The vendor has endeavoured by breeding practice to reduce the risk that soundness of the animal may in the future be seriously affected by an inherited defect, e.g. hip dysplasia, which was not apparent at the time of sale. Such risk shall be borne by the purchaser provided that:

- a) The vendor will accept return of the dog and offer a full refund for any reason within 3 months of the date of this contract.
- b) If a veterinary surgeon shall within 12 months of the date of this contract certify that the soundness of the dog is seriously affected by an inherited defect the vendor shall refund to the purchaser 50% of the purchase price.

The purchaser undertakes to inform the vendor if the dog is to be re-homed.

The purchaser has read and accepts the above conditions of sale.
